Spanish

WORK EXPERIENCE

Digital Content Manager

QA Company | May 2019 – Present

With a meticulous eye for detail, I pore over and compare magazines in Apple News with their print versions to create flowing and responsive digital layouts while maintaining the integrity of their print designs. I have a very strong grasp of English grammar, a comprehensive understanding of AP style guidelines, and am a keen communicator of all copy and design edits required.

Editing & Design Freelancer

Camille Teal Editing & Design | May 2023 – Present

Starting this year, I have built and expanded my own design and editing business from the ground up.

Technology Paraprofessional

Local School District | January 2018 – September 2020

I was the main point of contact for the entire campus' technology questions and concerns, including peripheral maintenance, updating software applications, and instructing their use in an understandable way. Moreover, I oversaw the revival of the school's social media presence and created all content for their various social media channels. Furthermore, I managed the front end of the school utilizing my knowledge of HTML/CSS and responsive design principles.

EDUCATION

California State University | 2016 – 2020

B.A. in French
Minor in Spanish
Member of Phi Sigma Iota foreign language honor society
Producer of campus literary magazine for two years

PROJECTS

Campus literary magazine | 2017, 2018

Producer and designer of my university's campus literary magazine

Camilleteal.com | 2023

Coded and designed Camilleteal.com from the ground up
